Conrad,

I have added Mary Young to this email as she is the Director of P&Z.

Mary,

This is the second email I have received from neighbors inquiring about this application. If they could be pointed to any and all information regarding it, I'd appreciate it.

Thanks

Matthew

RE: 270 Saugatuck Ave #PZ-20-00504- CAM Site Plan

Good morning,

Peter Romano emailed some of the neighbors of 270 Saugatuck Ave to meet with him on Saturday, August 29 at 9am at the site. An emailed invite was sent to some--but not all--of the neighbors whose letters opposing Landtech's application to expand the parking lot at 270 Saugatuck Ave were posted on the P&Z website.

The meeting was ostensibly to hear, and potentially mitigate, concerns about the application. Instead, my neighbors and I believe the meeting was intended to deliver a threat as one Landtech representative said: "We can bulldoze this site tomorrow if we want to." While this may be true, our understanding is that there is a hearing scheduled for September 1 related to this application. My neighbors and I would like to participate, but we cannot find any information about this hearing on the website.
